Assessments aren't regulations. Don't let that get swept under the rug.

Subject: PFAS Press Release

Hi Jennifer, Helena and Nancy,

We've each had separate conversations about this issue and Nancy suggested that we have a quick chat (which I will set up for 3:00 or 3:30) to see if we can nail down a path forward. OPA worked with ORD to draft the below referenced statement that we would include at the top of the PFAS press release, which would remain live:

<https://www.epa.gov/newsreleases/epa-delivers-results-pfas-action-plan>. But before moving forward, there are a few of critical questions that need OP/OGC to attention so that we can ensure consistency and accuracy across all of the actions.

Thanks.

Nancy, I sent the note to Helena earlier and hopefully we'll hear back from her shortly.

Carolyn, let me know if Jennifer has edits to what's below.
